

Zoo Rider Booking Information

The Fairy Godmothers is a registered Not for Profit Organisation situated in Burnie, assisting the Tasmanian community and families who have children with disabilities, special needs and medical conditions that require equipment, resources and medical attention.

The Zoo Riders were purchased as a fundraising tool for The Fairy Godmothers. All proceeds made from Zoo Rider bookings go straight towards our fundraising efforts.

There are two options available for booking the Zoo Riders-

Option 1 - If your event is a private event e.g.- birthday party or a community event where you would like to offer free rides to participants, there is an hourly fee (a limit of 2 hours is required) and if outside of the Burnie area a mileage fee will apply.

Two or more volunteers will set up and man the Zoo Riders.

Please send in the details of your event and ask for a quote

Option 2 - If your event is a public event where participants will be charged for rides, we are happy to attend free of charge, or pay a small stall fee. We will charge participants \$5 a ride and will keep the proceeds we have raised on the day.

Two or more volunteers will set up and man the Zoo Riders.

If your event has a ticket system, we would prefer to be included in the ticket system and then reimbursed the takings. If you will be having a ticket system at your event, please inform us prior to booking the Zoo Riders.

We understand that you might be booking the zoo riders to attend your own fundraising event, but we urge you to PLEASE take the above information into consideration before asking our not for profit organisation to donate a percentage of our proceeds (the money we have raised) to your event.

Please Note:

-The Zoo Riders need a large, dry, flat surface to operate on. They can not be used on gravel, grass or carpet.

Ideal venue suggestions are halls, carparks and basketball courts etc.

-Adult supervision is required at ALL times.

-The Zoo Riders are designed for children and have a weight limit of 90kg. The younger child may need assistance from an adult or older child.

-The Zoo Riders will not be used in wet weather – for safety reasons if conditions become wet the Zoo Riders will be turned off and placed under cover.

-The Fairy Godmothers will supply safety bollards, flagging and cones to section off the area if required.

Please note, the Zoo Riders pictured above are for example purposes only.

5 Zoo Riders from our collection will attend your event.

Styles depend on availability and could include-

Skye from Paw Patrol

Chase from Paw Patrol

Woof the dog

Ellie the elephant

Moo the cow

Pink Panther

Dino the blue dinosaur

Oink the pig

Quack the duck

Magic the green dragon

Curious George the gorilla

Swiper the fox
